

# Hellenic College and Holy Cross Greek Orthodox School of Theology

Dear Friends,

*At Hellenic College and Holy Cross Greek Orthodox School of Theology, our mission is to prepare men and women for leadership by creating an environment that fosters growth in knowledge, faith, and service. We work to cultivate these virtues in every student at our School. Pursuing a degree at Hellenic College and Holy Cross is a rigorous and challenging academic exercise; it is a dynamic experience of growing in knowledge. Here, students are able, in addition to their questions outside of the classroom to discuss them not only with each other, but with their professors, who themselves are examples of people who see their work of cultivating knowledge as a true vocation, a calling from God.*

*Hellenic College and Holy Cross Greek Orthodox School of Theology is the only Greek Orthodox institution of higher learning in the Americas.*

With paternal love in Christ,
